Outer Burial Containers

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

N/A – We do NOT offer Burial Vaults

Average Vault Cost can range from \$800.00 - \$10,000 and up.
